PLP impact brief

Peace and Love Proclaimers | Youth for Change

Source

Summary of the organization portfolio supplied for this project. Figures are historical claims in that portfolio, not live platform analytics.

Youth-led since 2007

Peace and Love Proclaimers develops leadership, unity, peace, cultural identity, and practical skills.

Reported reach

The portfolio reports 141 high schools, 2 universities, 10,000+ members and 2,000 active youth leaders since inception, and impact reaching 40,000+ young people. These figures have different scopes and should not be combined.

Pathways to opportunity

The portfolio reports more than 100 volunteers placed across AMI Africa projects. A Canada chapter launched on July 26, 2025.

Peace and memory

PLP initiated Walk to Remember in 2009. The portfolio describes it as a national commemoration initiative organized in more than 25 countries.

2026 targets, not achieved results

The portfolio sets targets of 200 high schools, 5 universities, 4,000 active members with 60% women, and 100 internship/apprenticeship placements.
