Youth For Change

Presented By PLP

About PLP

PLP is a youth-led organization creating future leaders through unity, peace, and youth development. Since 2007, we've empowered young people to take responsibility for building resilient communities and shaping a more unified world.

Our promise:
PLP empowers youth to **lead with peace, create with purpose,** and thrive with opportunity.

Vision, Mission and Location

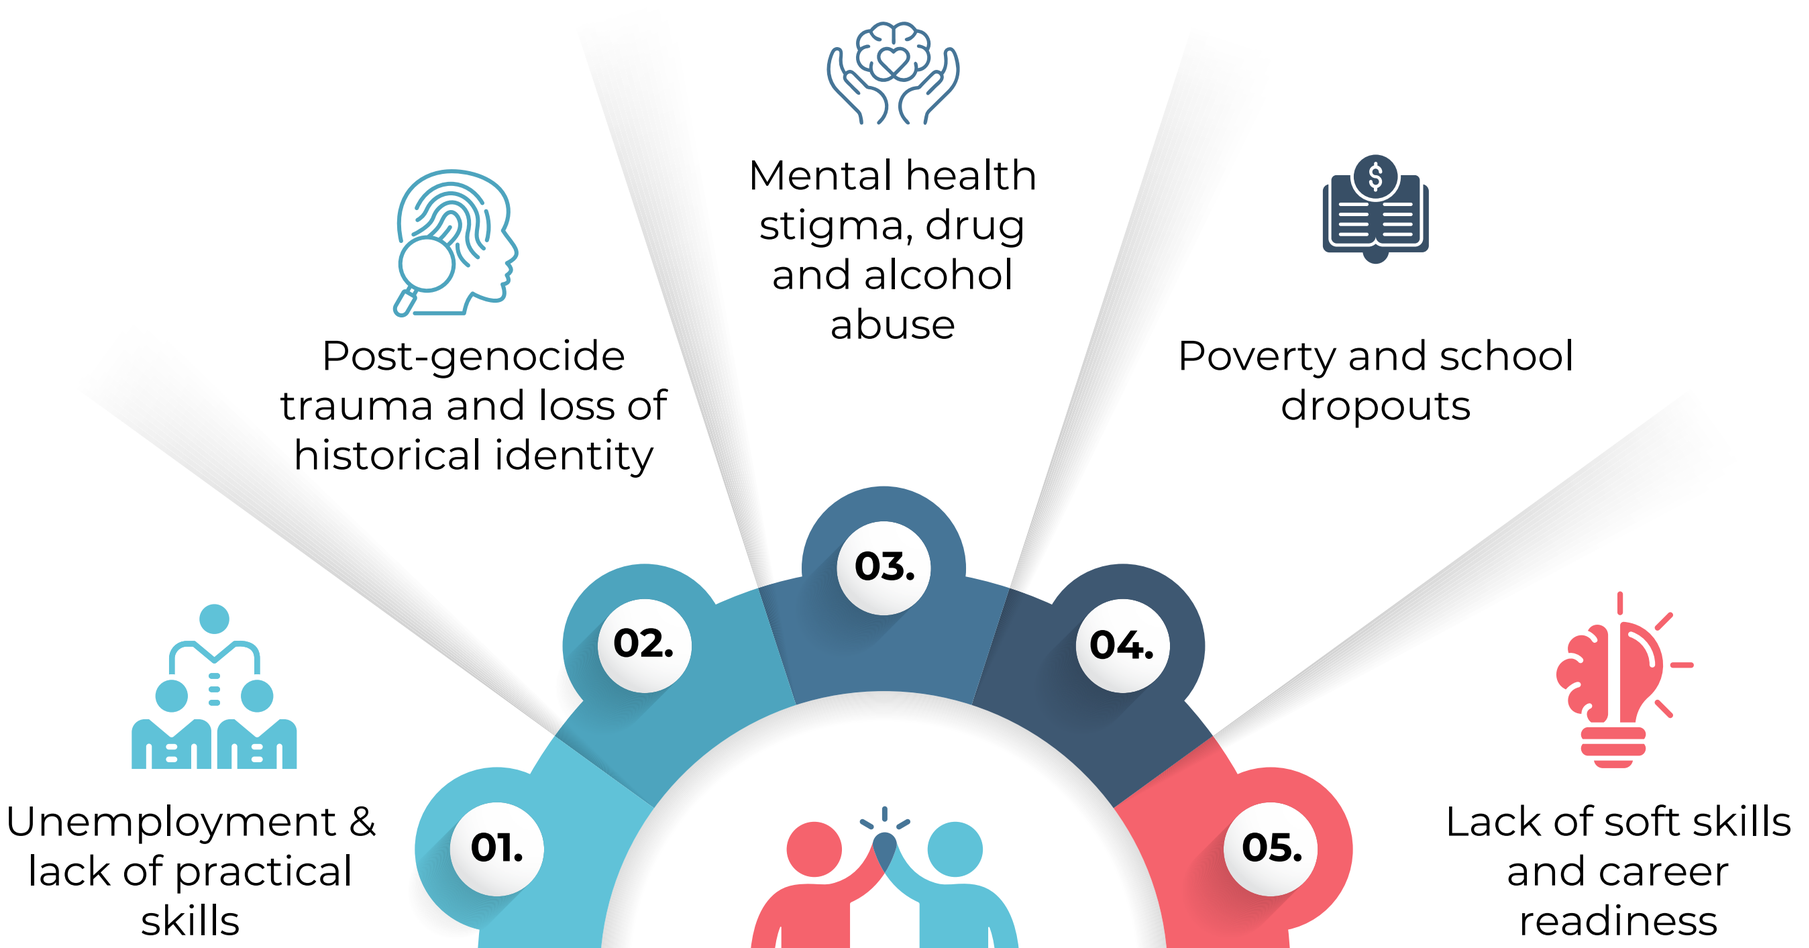

Vision: A united and peaceful World, led by skilled and empowered youth

Mission: To develop a generation of young people equipped with leadership, cultural identity, and practical skills enabling them to build peaceful, resilient, and thriving communities

- **Base: Rwanda** (our benchmark country) and **Canada** (New chapter launched on July 26th, 2025)
- **Reach:** Operating in **141 high schools** and **2 universities** with **10,000+ members and 2,000 active youth leaders** since inception.

The Problem We Solve

PLP Impact

PLP has been awarded by the First Lady of Rwanda for being a youth-led organization that have made an **impact to over 40,000 youth.**

PLP has Initiated the Walk to Remember in 2009, now a national commemoration initiative in Rwanda and organized in over 25 countries worldwide.

PLP now has 140+ active clubs in high schools across Rwanda and **has recently expanded internationally by opening a new chapter in Canada.**

OUR FLAGSHIP PROGRAM

PLP Pathways

PLP Pathways" is our flagship youth development model designed to guide every member from discovery to impact. Through three interconnected stages, young people gain leadership skills, practical experience, access to opportunities, and platforms to demonstrate their talents while contributing to society.

Our pathway ensures that every young person can:

- Discover their potential
- Develop practical and leadership skills
- Access opportunities
- Demonstrate their talents and impact
- Become lifelong changemakers

1. DISCOVER & DEVELOP

PLP Clubs, Homegroups & PLP Hub

PLP Clubs and Homegroups are the entry point into the PLP Journey. Operating in schools, universities, and communities, they help young people discover their potential through leadership development, practical skills training, mentorship, and community engagement.
Learning and development are powered by **the PLP Hub,** PLP's digital and learning platform that equips members with the knowledge, skills, and tools needed to thrive in today's world.

Through the PLP Hub, members access:

- Leadership Development
- Employability Skills
- Entrepreneurship
- Digital Skills
- Civic & Peace Leadership

2. D0: PLP Connect

Connecting Talent to Opportunity

PLP Connect bridges the gap between learning and real-world opportunities.

After acquiring skills through PLP Clubs, Homegroups, and the Youth for Change Hub, members are connected to opportunities that allow them to apply what they have learned.

Opportunities Include

- Internships & Employment Opportunities
- Apprenticeships
- Scholarships
- Fellowships and conference invitations
- Volunteering Opportunities
- Professional Mentorship
- Business Support Opportunities
- Innovation Challenges

Progress: PLP has partnered with **AMI Africa** to provide internship and job opportunities for our volunteers. So far, **100+ volunteers** have been placed across various AMI projects, creating valuable pathways to employment and professional growth.

3. DEMONSTRATE

Leadership in Action

The Demonstrate stage provides members with platforms to showcase their leadership, creativity, talents, and commitment to community transformation.

Having developed their skills and accessed opportunities, members now demonstrate their growth through national and community initiatives that create measurable impact.

Key Platforms

- Walk to Remember & Ku Gicaniro
- The Boardroom (Former PLP Academy)
- PLP Hub
- Anda Arts
- Urungano Space
- Kickin’ it Sober & Sober Nights

BEYOND PATHWAY

Beyond our flagship program, PLP drives impact through cultural revival, peace education, and wellness campaigns. From Walk to Remember and Ku Gicaniro Dialogues that preserve memory, to Urungano Spaces fostering mental resilience, and Arts Initiatives celebrating identity, we ensure youth thrive holistically. Our virtual Hub will anchor innovation and cultural exchange, while campaigns like Sober Nights and MegaCare champion wellness and social responsibility. This links youth to opportunity and hands-on experience.

Peace & Memory

Walk to Remember

An annual youth-led campaign that unites young people, survivors, and communities to honor the memory of the 1994 Genocide against the Tutsi. Through remembrance walks, creative expressions like poetry and art, and survivor testimonies, the initiative transforms memory into a tool for healing and reconciliation bridging generational gaps and strengthening peace narratives.

Ku Gicaniro Dialogue

A youth-driven dialogue platform focused on genocide prevention and peace education. It creates safe spaces for honest conversations about history, responsibility, and unity, empowering young people to become active guardians against divisionism and hate.

Empowerment

PLP Academy

A residential youth development bootcamp followed by a service-based immersion.

Objective: To develop leadership, research, peacebuilding, and digital/financial literacy skills. The academy includes:

- **Mentorship:** From Rwandan leaders & professionals
- **Post-Camp Immersion:** Practical application in the field (**e.g. 2025** cohort to work in Kavumu Sector on water access fundraising and data collection project)

Problem Solved + Long-Term Impact:

Addresses the leadership gap and lack of practical skills among youth. It creates a pipeline of confident, community-minded youth ready to lead transformation projects in underserved areas.

Empowerment

Anda Arts Initiative

A cultural talent competition that revives pride in tradition and creativity. Through dance, music, poetry, and storytelling, it celebrates identity while opening doors to economic opportunities in the arts.

PLP Hub (2026)

A virtual centralized innovation and culture center for training in digital, entrepreneurial, and cultural skills. It serves as a platform for youth empowerment.

Wellness

Urungano Space (PLP Monthly Meeting)

A monthly safe space for youth to reflect, share stories, and learn emotional resilience. Through mental health workshops, peer circles, and guest sessions, it tackles stigma and builds a generation of empathetic, confident leaders.

Kickin’ it Sober & Sober Nights

Fun, vibrant campaigns that promote healthy lifestyles and fight substance abuse. From sports and dance nights to peer-led talks, these events normalize sober joy and empower youth to lead a wellness culture in their communities.

MegaCare

A youth-led philanthropy movement where members donate time and resources to uplift vulnerable communities. It turns compassion into action, fostering a culture of social responsibility and shared development.

Monitoring, Evaluation & Learning (MEL)

PLP tracks impact across four dimensions with measurable targets and evidence-based indicators:Strong Youth Reach:

- **Target:** 200 high schools, 5 universities, and 4,000 (with 60% women) active members by 2026.
- **Internships/apprenticeships:** 100 placements by 2026
- **Indicator:**5000+ of youth with improved unity/peace knowledge and SEL composite score improvement by 2026

Organizational Structure

PLP operates through a lean, youth-led structure designed for agility and impact:

- **Executive Committee:** Oversees strategy, partnerships, and operations
- **Program Leads:** Manage PLP Pathways, MEL, and signature initiatives
- **Chapter & Club Coordinators:** Support school clubs and community outreach
- **Youth Mentors & Volunteers:** Deliver grassroots programs in schools and communities

Note: PLP will soon establish a Board of Directors to strengthen governance and strategic oversight.
